Allowable Subject Matter

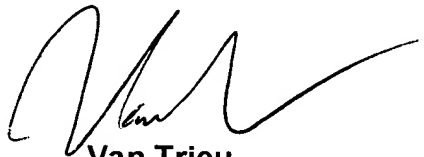

1. The following is an examiner's statement of reasons for allowance: there are no prior arts teaching or suggesting of a magnetic switch assembly and method comprising a first elongated switch element, a second switch element disposed in spaced relationship to the first switch element and a shift body moveable between the first position in simultaneous contact with the first and second switch elements, and a second position out of the simultaneous contact. Using a magnetic field of sufficient strength to maintain the body in one of the first and second positions; and magnetically shifting the body to the other of first and second positions in response to a change of magnetic condition proximal to the switch assembly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from examiner should be directed to primary examiner **Van Trieu** whose telephone number is (571) 272-2972. The examiner can normally be reached on Mon-Fri from 7:00 AM to 3:00 PM.
